Old Business:

New Business:

1. Tabled consideration of re-keying community center. VanBonn stated that it is expensive, and keys would be copied and nothing would really change.
2. Advice to board that Bureau of Elections (BOE) in Lansing, is daily making changes to how we handle elections and equipment and advises they may or may not cover the cost. So far we expect to have to purchase a new computer for the election (EPB) because their new software does not run effectively on the current EPB. Also purchased a DYMO lable maker for addressing on AV Ballots.

Public Comment

Several citizen voiced concern over the playground equipment and how much the township would have to pay towards the program. Himebaugh explained we would be looking very closely at any cost for virtually anything in regards to reduced funding from the state.

Meeting adjourned at 7:47 p.m.
Respectfully submitted,

John Schimmelmman
