Clerk: Possible election on August 3, 2021

- FTFD - MAKO SCBA filling unit parts were ordered and are being installed in house. This will allow us to plug it into the normal outlet and fill the bottles
- FTFD - We had an injury accident that required heavy extrication. The extrication unit leaked oil from a hose and did not switch into low power mode. We requested Hurst to come and service them the next day, the unit works fine now.
- FTFD - Unit 530 our heavy utility vehicle had a ruptured air bag on the P/S, this caused the air parking brake to stop working. It was repaired but after we got the unit back the D/S ruptured. Probably from the force of the new bag. During the repair a oil line was found to be leaking and was fixed along with a bent spring. The initial repair of the first airbag was \$100 less than quoted, the second bag cost an additional \$1000.00. The solenoid on the brake light is bad and is or has been replaced for about \$300. The work was done at JXE in Mt Pleasant.
- FTFD - All old records were scanned in and are now digital.
- FTFD - Deerfield Twp had a company come in and test their ladders, we have never tested our ladders so we did take our 6 ladders to them for testing. The price is \$2.50 per foot, I have not received the invoice yet.
- Promotions, B. Chief Wiles, Capt. Forquer, Capt. Little, Capt. A. Struble and Lt. Guthrie were all promoted.
- Fires and Rescue Runs
 - Fire, Illegal Burn, Injury Accident/Pin-In, Injury Accident, ORV Injury Accident and an unmonitored brush fire, Assist MRTFD on Structure Fire,
 - Rescue, April 7 Calls, May to date 11 Calls
- The Fire Chief met with Mr. Lon Morey in regards to the Morey Foundation grant and the addition to the building. Mr. Morey was very gracious and awarded the fire department \$75,000. An official application will be completed for the grant. The USDA pre-application will be submitted within the next couple of weeks. The break is 75K from the Morey Foundation, 50K from the rescue fund and 87K from the USDA loan.
- Rescue budget is at 11% - Fire is at 7%.
