Reports:

Fire and Rescue

There have been no calls for service since the last meeting for the fire department.

- Rescue had 24 calls for service in October and so far this in November there has been 9 calls for service
- Rescue and Fire received a \$1,000.00 dollar grant from Tri-county for pagers. We were able to purchase two pagers which leaves the department needing one additional to finish up all of our personnel. Deerfield Twp Fire Department will be outfitting their four members that operate on rescue with our agency.
- The rescue unit has molding along the lower half of the doors. The molding is starting to fall off. The cost of replacement is close to \$1,000.00. The work has been performed by JT Auto Collision. They found some additional dents which were repaired. The total cost was a little more than the quote but not by much.
