Public Comment

Tom Carey addressed the board regarding snow piled up in yard and Schimmelman directed to contact Wilson Lawn Care regarding plowing. If snow is plowed in his yard, it is impossible to view traffic when backing out.

Carol Conrad representing the Treehouse committee asked about having electrical outlets or electrical boxes with outlets installed on the adjacent property to the Annex. Fred Sponseller Electric to give a bid price and feasibility of utilizing power from the Annex building with a meter. This would not take place this year.

Meeting adjourned at 7:35 p.m.

Respectfully submitted,

John Schimmelman
